**FOR THE PROTECTIVE SERVICES TRAINEE AND  
STATE POLICE TROOPER TRAINEE EXAMS**

The results from the written test will be available on the DAS website from June 30, 2017 (1:00 pm EST) through September 30, 2017 (1:00 pm EST). You may obtain your written test results by accessing the DAS law enforcement exam website at <https://www.biznet.ct.gov/LawExam/default.aspx> and logging on using your e-mail address and password.

**Print your test results for your records prior to September 30, 2017.  
You will not receive your test results in the mail.**

After the written test, the names of passing applicants will be given to the Department of Emergency Services and Public Protection for State Police Trooper Trainee candidates and to the hiring agencies for the Protective Services Trainee candidates. These agencies are responsible for conducting all additional phases of the selection process for applicants that they are considering.

Register on the DAS website for e-alerts for jobs and exams. This will allow you to be notified by email when jobs are posted and when new exams are announced. You will use your BizNet account to register for e-alerts. (Your BizNet account is the one you set-up to apply for the State Police Trooper Trainee and/or Protective Services Trainee exams and the account you will use to access your test results.)

**NEXT RECRUITMENT STEP FOR STATE POLICE:**
